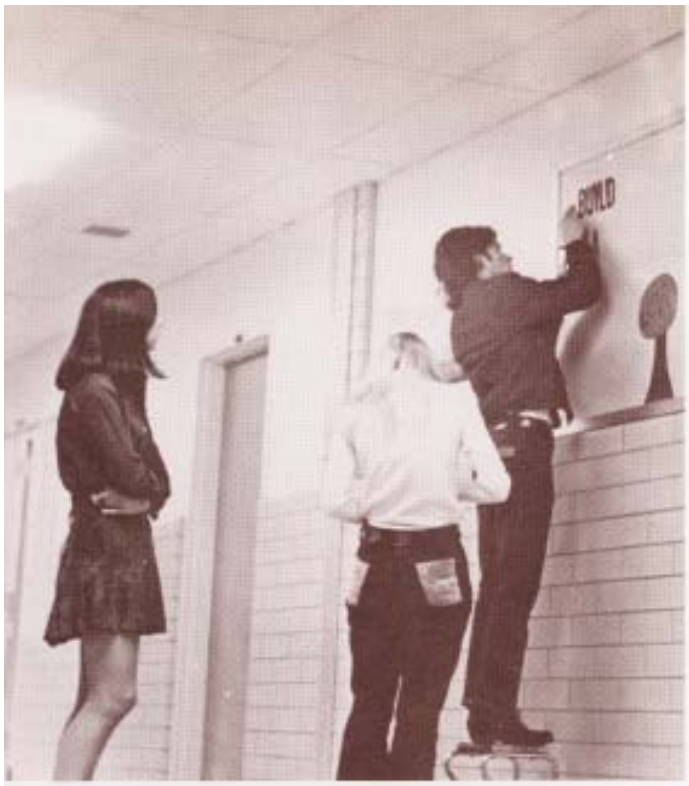
Motto . . . "The Best Things in Life Aren't Things."

Color . . . Black
Flower . . . Rose



When you're down and troubled and you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me and soon I will be there
To brighten up even your darkest nights
You just call out my name and you know wherever you are
I'll come running to see you again
Winter, spring, summer or fall, all you've got to do is call
And I'll be there you've got a friend
If the sky above you should grow dark and full of clouds
And that old North Wind should begin to blow
Keep your head together and call my name out loud
Soon I'll be knocking upon your door
Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you and desert you
They'll take your soul if you let them
But don't you let them

Coal Queen 1971
Chris Vavrek

After competing with sixteen other girls from different high schools, Chris Vavrek became the 1971 Coal Queen. She was chosen for her beauty, poise, personality and talent, which was singing to the accompaniment of her guitar. Chris had a very exciting year during her reign of the Heart of the Bituminous Coal Region.

Cinderella Ball

With their hard-working effort, the Junior Standing Committee and Miss Koballa made the Cinderella Ball a success. As a theme they chose "The Age of Aquarius." The signs of the zodiac extended the theme throughout the cafeteria as stars dangled from the ceiling giving a celestial effect. Refreshments were served and music played by *The Four Bors* provided dancing for all. Cinderella and Prince Charming, both members of the junior class, were chosen by a name drawing. Faculty members attended as chaperons. With a popular theme, the Ball gave many couples a fine time and a night to remember.

Joyce Maciewski became the 1971 Cinderella. Bob Polander was chosen as Prince Charming. Joyce was crowned by Gary Madich, the junior class president. A ruling scepter was handed to Bob by Charlotte Zabrosky, a member of the junior standing committee.
